ML Doctors Limited is committed to the adoption of environmentally responsible policies and practices, together with the regular review of both its ongoing performance and the inherent scope for further improvements. The Company aims, through the implementation of ISO14001 and the continuous staff awareness, to create and maintain the highest levels of environmental responsibility.

The Company maintains a fundamental belief and is committed in the principles of environmental protection, and will take all necessary steps within its powers to eliminate, or control, environmental hazards by: -

- Striving to adopt the highest possible environmental standards in all its operations, wherever these are located, including the fulfilment of compliance requirements
- Aiming to achieve the most economical use of all materials, supplies and energy, using renewable or recycled materials wherever possible.
- Keeping itself fully informed of best practices elsewhere.
- Minimising waste produced in all parts of the business.
- Encouraging similar environmental standards to be achieved by all third parties involved with its business.
- Encouraging employee involvement in positive environmental action.
- Regularly assessing the environmental impact of all its operations, and the continual improvement of the management system.
- Communicating its policy to customers and employees.
- Meeting or exceeding all relevant legal and other requirements

All Company employees have a responsibility towards the environment in which they live and work. It is the duty of all concerned to demonstrate both a responsible attitude and a commitment to the Company's objectives.
