Dear Sir / Madam,

Small and Medium-Sized Enterprise Application for Payment Easement

Further to your recent application, I am pleased to confirm that the company meets the criteria to qualify as a Small Business. Our records have been updated to reflect this and small size business status has been granted on your customer account number 62265 until 25/03/2027.

For your information, small and medium sized business status is granted for a period of 12 months. Therefore, your company will need to re-apply annually before the above date submitting their most recent set of audited accounts.

If you do not re-submit an application by the above date, it will be assumed that your organisation no longer qualifies for payment easement and small mediums sized business status will be removed. Any applications received after this date will be payable in full.

If you require any further information, please do not hesitate to contact me.

Yours sincerely,

Kamrul Hossain
